Selectmen's meeting minutes May 18th, 2010

Attendance- Bob Drew, Turf Ramsden, and Stephen Goldsmith. Larry Fox, Scott Davidson and Scott Gardiner.

1. We met with the Selectman of Chatham to discuss the transfer station and the cost of running the facility. We told them that we would need to change the fee schedule and that in order to stay with us this would happen next year. They all seemed to be very receptive to this. Wayne McAllister, Wayne Infinger and Bill Perry were present.
2. We discussed Eastman Hill again. Steve brought in an article from the news that discussed that this was no state law preventing a municipality from moving and redirecting drainage. A copy is in the minutes,
3. A group of people came in to discuss some beach issues. The primary reason for them coming in was to discuss the agreement the Selectman made with Fryeburg allowing them to use the West Lovell Beach again this year for their swim program. The discussion lasted for a while and several issues were brought up such as the policing of who uses the beach, after hours partying on the beach, the condition of the toilets, the maintenance of the beach and other issues. The Selectman agreed to contact their attorneys to see if we over stepped our bounds by making this arrangement. We also plan on holding some public hearings to get more input from the citizens of problems at the beaches. Those present at the meeting were Kevin and Tensy McDonald, Paul and Christine McLaughlin, Al and Dorothy Greenhalgh, Bill and Anne McCormick, Linda Dunlea, Ron and Sandra Masse, and Karen Bacchiocchi.
4. The minutes were accepted from last week.
5. We signed the warrant.
6. We discussed advertising on the web site, an idea brought to us by Ann Williams. We were not in favor of this. We have discussed this in the past and we do not think it is an appropriate use of the web site. This is what the Chamber of Commerce is for.
7. Lovell Rec will pay the difference for the cost of the fence at the ball field from the amount received from the grant.
8. We received some information from MMA regarding their agenda and minutes.
9. We reviewed some real estate transfers.
10. Larry will be getting some quotes on Quonset huts for the town garage.

11. We signed two liquor licenses; Pleasant Point and Center Lovell Inn.
12. We received some information about a Dam workshop on June 10th.
13. We received some information from MMA regarding Volunteer accident insurance.
14. We received some information from Oxford County regarding the appointing of a County Treasurer rather than electing one.
15. Adjourned at 9:20 PM
