1. We signed 3 concealed weapons permits.

There will be 1 card to fill out and leave in the box. We also discussed the water level at Cushman Pond. This pond is a cold-water fishery so the water level is critical. Gerry will send us a report about this. We need to establish a minimum water level. We also discussed some of the original monies that Mike Miller had received and what the status of that is. We were told that those monies were commingled with the KLWA monies. Gerry will get back to us on this as well.
4. Cathy Stone came in to first off thank the Town and the Town crew for the wonderful job they have done with mowing and snowplowing. She also wanted to change the road name of Rattlesnake Island Rd to Birch Rd. Steve will take care of this. She will provide us with a signed letter from all that live on this road that they are in agreement with this.
