

Town Of Lovell

Selectmen's meeting minutes July 6th, 2010

Attendance- Bob Drew, Turf Ramsden, and Stephen Goldsmith. Larry Fox was also present.

1. We accepted last weeks minutes. Bob made the motion and Turf seconded it. All voted in favor.
2. We have 1 drug test this month.
3. We received a letter from Stan Tupaj regarding the entrance to the ball-field for Lovell Old Homes day. There will be no issue for the horses go into this entrance.
4. We received some information from Affiliated Health regarding some new alcohol testing forms.
5. We received a check for \$760.73 for the safety grant that Steve applied for.
6. Turf will fill out this years Maine Resource Recovery Association application.
7. We received a form from E-Waste asking for some client information.
8. We discussed the request from New England Frontier Camp for an excise exemption for the newest Van. We had received some information from MMA regarding this and they do fall within the bounds of the exemption so we agreed to exempt them. We feel that going forward we will look into some sort of Payment in lieu of Taxes since we all agreed that they use the transfer station, Fire and Rescue as well as roads and we collect no taxes from them
9. We discussed some Recreation issues as far as who can participate in the programs. We will be meeting with Mike about this shortly.
10. We discussed the fencing and bracing at the transfer station so we can prevent another accident from occurring.
11. Mark Moulton and Tommie McKenzie came in to discuss the fire truck, pumper/ tanker they would like to purchase. The total cost for this would be \$230,000.00. They already have \$181,000.00 including the payment they will receive from the Town this year. They would only need \$41,411.00 from the Town. This will be a special purchase so they wanted to know if we would support this so that they could order this now. We all voted in favor of supporting this project and they understood that it would require a Town vote. We also supported the grant that they are trying to apply for from the USDA.
12. Adjourned at 9:00 P.M.
