

Town Of Lovell

Selectmen's meeting minutes July 13th, 2010

Attendance- Bob Drew, Turf Ramsden, and Stephen Goldsmith. Larry Fox was also present.

1. We accepted last weeks minutes. Turf made the motion and Bob seconded it. All voted in favor.
2. Lynn Korth came in and delivered a note regarding the work being done on Eastman Hill Rd. She and Steve wanted to bring our attention to the wording about the plunge pool and the distance from the center of the road. We went up to the site and measured. The pool is 24.75 feet from the center of the road but we put some fabric over the top of the pool and placed rocks over the fabric to better stabilize the project. We are now 5 feet further on their property and have expressed concerns that we did not follow the specifications. They have requested that we remove these rocks. Moments later Lynn called back and expressed concerns that the equipment being used at the project was sitting on their land and was disturbing the grass that they have planted. We will do our best to find an alternative to housing the equipment.
3. We signed the warrant.
4. Steve called Gary Patzlaff regarding the OSHA information he had given to Larry. Apparently there will be no federal money to be used on Lovell roads.
5. We received the Lovell Recreation minutes.
6. Steve went down to Farrington's beach on Monday to check on people from outside of Lovell using the area.
7. Larry received some information about Quonset type buildings. Bob will check this out sometime this week.
8. We signed a concealed weapons permit.
9. We received a request for an abatement.
10. Turf reported some suspicious activity he had heard about to Officer Matt Baker.
11. We reviewed the septic easement plan that John Bliss made for the Prescott property.
12. Adjourned at 8:50 P.M.
