

Town Of Lovell
Selectmen's meeting minutes August 17,2010

Attendance- Bob Drew, Turf Ramsden, and Stephen Goldsmith. Larry Fox, Scott Davidson and Scott Gardiner.

1. Dave Johnson came in to discuss cable television and wanted us to try and negotiate towards getting this Town-wide when we next work on our contract with Time Warner.
2. We accepted the minutes.
3. We reviewed the figures for work done at the Tennis Courts.
4. Bob signed the Hold Harmless agreement for the fire department for the burn at the old Town garage.
5. We reviewed the April 13th selectman's minutes and decided to have Ed Dunlea do the foundation at the old town garage site. The quote was +- \$5900.00 and since he is the only concrete person in Town, and because of some time constraints, we felt that this was allowable and within the scope of the policy that we had established. Turf made the motion, Steve seconded it and we all voted in favor.
6. Larry will be talking with Scott Davidson about pushing back different piles at the transfer station.
7. David Morine had brought in a bag of some plants that he thought might be milfoil. We will have Katrina look at it.
8. We reviewed our sick pay and vacation pay policies.
9. We received an invitation to the Eastern Slopes Airport for Friday August 20, 2010.
10. Adjourned at 9:00 PM
