

Town of Lovell
SELECTMENS MINUTES

03 / 16 / 2010

Present- Bob Drew, John Ramsden, also present Larry Fox, Scott Gardiner, Scott Davidson

1. Accepted previous minutes.
2. Bob Drew and Larry Fox met with the Korth's and their forester at the Old Waterford Road and discussed what brush and trees the town crew would be cutting along the roadside.
3. We discussed funneling the traffic at the transfer station. This is to allow the dump attendant to inspect the loads and instruct people as to where the different materials should be placed. We are also hoping that this will stop people from loitering as much. This is to be done on a trial basis.
4. We discussed the contracts that we have with the other towns at the transfer station. We are trying to get a better handle on the costs and capital that we will need to run the facility. This will allow us to negotiate pricing with the other towns when the contracts are renewed.
5. Larry informed us that Frank Carol Paving out of Limerick is interested in giving Lovell a bid on the paving this year.
6. We reviewed the real estate transfer taxes.
7. We signed the Oxford County assessment form.
8. Adjourned at 9:20
