

LIPPC

(Lovell Invasive Plant Prevention Committee)

is hosting a

PLANT PADDLE

Wednesday, July 6

10:00 am – 1:00 pm

Farrington Pond

Help us scour the pond for

Invasive Aquatic Plants!

Come by land or by sea with your canoes, kayaks, boats, cameras & curiosity. Shoreline-waders welcome too!

no botanical experience necessary; just your eyes and your interest...

Plant experts from VLMP will help us identify what we have seen in the water.

Canceled if pouring... Questions? Contact Sue Hamlin: 925-3236

Thank you for keeping your Eyes on the Water!!
