Also Present; Stan Tupja, Sarah Clemens, Bill Paullman and Mr Bender

Meeting is Called to order at 7:05 pm

Minutes; Motion by Ms Bacchiocchi, to approve, vote is unanimous.

OTHER:

Mr Oren: From Lakes Environmental Assoc. Presents information concerning buffers and the benefit of. Discussion of what is best for the lakes and ponds of Lovell ensues over the next 45 minutes. Mr Oren suggests 4 options for Lovell: (1) return to State guidelines, (2) Keep existing ordinance, (3) Replace with new ordinance with updated science, (4) A combination of all of the above. Mr Oren feels Lovell is on the right track with its stronger ordinance than the States. This has been a very informative meeting with science-based information presented on how best to protect the Towns bodies of water. The existing ordinance will go before Town meeting for approval, or disapproval in March. The Board would like to thank Mr Oren for his presentation, suggestions and information. It is everyone's interest to keep our water bodies as clean as possible.

OLD BUSINESS

Chairman Ryan passes out a draft of what will be presented at Town Meeting. After review, the draft is approved with a motion by Mr McDonald and second by Mr Legere vote is unanimous. Mr Tupja requests a reading of the draft and after the reading, with minor corrections the letter is approved with a motion by Ms Bacchiocchi, vote is unanimous. The Board would like to Thank Mr Tupja for his request of a reading as the Board was able to correct wording and spelling.

Meeting is adjourned at 9:00 pm

Respectfully submitted Kevin McDonald
