Lovell Planning Board Meeting

Members Present: Mr Ryan,, Mr McDonald, Mr Legere, Ms Bacchiocchi, Ms Lansing and Mr Williams.

Absent: Mr Broyer

Also Present: Mr McAllister, Mr Bliss, Ms Clemmons, Mr Paulman, Ms Welchman and Tony?

Meeting called to order at 7:00pm by Chairman Ryan.

Motion by Mr Legere to accept minutes as presented, vote is unanimous.

Mr Bliss addresses the board concerning water quality, storm water management and erosion control plans designed by engineers. These should be required of new applicants. Board discusses these issues and agrees with Mr Bliss. Chairman Ryan speaks to where do we find the expertise. We have money in the budget and Mr Morse would be a great resource. The board discusses revamping the C.U. Permit and consolidating the various requirements to a more user-friendly format.

Election of officers:

Chairman Ryan addresses the board that he will be stepping down and retiring from the board. A new Chairman will have to be elected from the board members. This creates confusion and concern Mr McDonald motions for a special meeting to address this issue, vote is unanimous, meeting scheduled for 3/20/19 at 7:00 pm to address this unfortunate issue.

I would like the minutes to reflect the sadness of Mr Ryan's departure and the appreciation for all of his service to the Town of Lovell. This is a man that will be greatly missed and not forgotten. There are few that step forward and give their all for the town of Lovell. Mr Ryan was one of those and will be sadly missed.

Meeting was adjourned at 8:02 pm

Respectfully submitted Kevin McDonald
