Meeting is called to order by acting Chairman Mr Legere at 5:30 pm

Mr Feldman passes out information to the board and gives a brief history of his involvement with Southern Maine Planning and Development Comission. A review of " Roberts rules" as well as the " finding of Facts" are presented to the board. Much discussion as well as questions follow. The question of the comprehensive plan is raised and should it be updated. The last time this was done was 1991. The cost would be about \$ 20,000 however the Town could receive some financial help from SMPDC as well as the State. The knowledge and information shared by Mr Feldman was incredible. Mr Feldman offered his help on any project and stressed that the board should use him as a resource. Mr Feldman's presentation was presented free of charge and the board would like to express our thanks for his time and expertise.

Meeting is adjourned at 7:20 pm
