Inspections By Month

May—190 June—578 July—1036 August—1015 September—401 October—95

1805 Boats inspected entering

1510 Boats inspected leaving

Plants

A total of 45 plants were found by inspectors. 38 were found at the Narrows; 8 inbound and 30 outbound. 7 plants were found at the North; 2 inbound and 5 outbound. Stewards and concerned citizens submitted 6 plants to inspectors. All plants were non-invasive.

Volunteers

There were 15 volunteers that provided 68 inspection hours. The KLWA adopted the Narrows for a day and the GLLT adopted both the Narrows and the North Ramp for a day. An additional 47 volunteer administrative hours for interviews, training, DEP reporting, grant writing, etc. were performed by the CBI Coordinator.

Boat Wash

Boaters washed 54 times prior entering the lake and 89 upon leaving.

Kiosks

Boaters filled out 33 self-inspection cards at a kiosk in the watershed: Narrows-12, North 10, Heald-2, Horseshoe-8 and Farrington-1.

EXPENSES

\$332.00 Help wanted ads

\$ 50.00 CBI T-shirts

\$ 24.00 Supplies

\$36608.00 Payroll

Total expenses \$37,014.00 \$4,700 was covered by a Maine DEP grant.

For tax and grant purposes a volunteer hour is valued at \$22.53. At this rate the 66 volunteer inspection hours and the 47 volunteer admin hours provided by the CBI Coordinator are worth \$2591.00. This amount brings the actual value of the program to \$39,605.00

Respectfully

Marty Prox

CBI Coordinator
